

# The Art of Leading Collectively

The Power to Navigate Change Processes towards Sustainable Execution Excellence.

16 – 18 MAY 2018

NEW DELHI, INDIA

ENGLISH

## COURSE DESCRIPTION

Are you starting a complex cooperation project, or are you in the midst of one you want to improve?

Do you need to shift the mind-set of stakeholders toward collaboration, or to find new ways to overcome challenges?

Do you need to arrive at tangible outcomes in a short time frame?

This course will help you to implement more outcome oriented and constructive co-creation on a day-to-day basis for yourself, your team, your organisation, and your change initiative with diverse stakeholders. To deal with challenges of complexity, urgency, and interdependence, a new leadership paradigm is required that takes into account the diversity of stakeholders and enhances the ability for co-creation. The Art of Leading Collectively strengthens your competence to navigate complex challenges and to lead co-creative processes to enable sustainable execution excellence.

## THE BOOK ON THE COURSE

The book is a guide to collaborative impact for leaders in industry, government and social change networks. Readers learn how to tackle system change for sustainable development, reimagine leadership as a collaborative endeavour, retrain leaders to work collectively, and manage diverse groups through a change process that has sustainability as a guiding focus.

## YOUR KEY TAKE-AWAYS

- ✓ Keep your collaboration journey on track with the 6 dimensions of the © **Collective Leadership Compass**
- ✓ Assess where you are, define what is present and what is missing
- ✓ Map the path, adjust strategies, and know what to shift, to strengthen, or to focus on
- ✓ Convince colleagues and partners that leading collectively will ease the management of complex change
- ✓ Take the content of the book 'The Art of Leading Collectively' into the practice of outcome-oriented and constructive co-creation.
