

# The Art of Stakeholder Collaboration

Key concepts and competencies for achieving common goals.

2019 ON DEMAND Kyiv, Ukraine ENGLISH

## COURSE DESCRIPTION

Stakeholder Collaboration is recognised as critical to finding solutions to complex challenges of sustainable development. At CLI, we see Stakeholder Collaboration as the art of respectfully turning differences into progress. But as with all arts, there are skills you need to develop in order to succeed, to know when and how to use dialogue, and when to take action.

In this course, you will build your strategic abilities and implementation skills in stakeholder engagement, dialogue, and collaboration processes for high impact solutions. The training is based on the combined experience of our faculty and of over 2900 alumni from all over the world, active in the public sector, the private sector, and civil society. After this course you will be able to initiate and implement Stakeholder Collaboration successfully.

## YOUR KEY TAKE-AWAYS

- ✓ Learn how to successfully implement stakeholder collaboration through the application of the 4-phase © **Dialogic Change Model**
- ✓ Understand the business case for co-creative stakeholder engagement
- ✓ Learn how collective intelligence, commitment, and ownership can emerge
- ✓ Produce a stakeholder network map to prioritise engagement activities
- ✓ Develop new engagement strategies to minimise unproductive conflict and a methodology to create sustainable partnerships
