

PUBLIC-PRIVATE DIALOGUE FORUM

Towards Collective Action for Improved Infrastructure in SADC

Southern African Development Community
Public Private Partnership Network

Dear colleague,

"The diverse interests of the public and private sectors can be harnessed for the collective good. This is what public-private partnerships are about."

Liesl Lombard, Chief Director: PPP Unit, Gauteng Treasury, South Africa

The SADC 3P Network and the NEPAD Business Foundation proudly invite you to the first ever:

PUBLIC-PRIVATE DIALOGUE FORUM

Towards Collective Action for Improved Infrastructure in SADC

23-24 October 2013

Johannesburg – South Africa
(Sandton Convention Centre)

This event aims to promote the PPP approach to infrastructure development in the SADC region. The inaugural dialogue aims to:

- Engage delegates on current and upcoming PPP projects in the SADC region from recently conducted scans
- Serve as a platform for identifying opportunities for select projects
- Facilitate structured dialogue and collaboration between public and private actors in PPPs.

The PPD Forum will be a highly interactive event, offering an opportunity for knowledge building and sharing of experience in PPPs around select projects.

Senior government officials, investors, legal and financial advisors, and senior industry representatives interested in exploring PPP opportunities will be attending.

Find attached the draft programme and registration form. Please send the completed registration to:

Ms. Lulekwa Gqiba by fax at +27 21 462 3918 or email to lulekwa.gqiba@collectiveleadership.com
Ms. Gqiba can also be contacted for more information as the Collective Leadership (CLI) will be facilitating the event.

Register now as spaces are limited.

We are looking forward to you joining us in preparing the roadmap for project development in the SADC region.
